Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: none of the prior art taught or suggested: a liquid crystal display, wherein the pixel electrode comprises a transparent conductive layer and conductive members having a light reflection function and electrically connected to the transparent conductive layer, and said conductive members are disposed on the surface of the transparent conductive layer randomly and dispersively as recited in claim 1; or a liquid crystal display wherein the convex or concave members are made of conductive material mainly consisting of fine particles of silver or gold having a nano order diameter as recited in claims 14 and 20.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David Chung whose telephone number is (571) 272-2288. The examiner can normally be reached Monday-Friday 9:30 am to 6:00 pm.
